

23RD ANNUAL ALL BRITISH CAR AND CYCLE DAY WAS A TREMENDOUS SUCCESS!

The 23rd Annual All British Car & Cycle Day had over 200 entries and an estimated 3000 enthusiasts and visitors from Florida and the Southeastern U.S. Held each year in early April, the weather always cooperates and the show gets bigger and better each year. Sponsorship gives your company an opportunity to market itself in upscale Winter Park and Central Florida to a clientele that has an interest in all things British and the dollars to purchase them. Most all of the cars displayed can be described as big boy's (and now girl's) toys in that they are driven on weekends and other special occasions

24TH ALL BRITISH CAR SHOW TO BE BIGGER THAN EVER!

For 2008, the show will be held on Saturday, April 5th at Mead Gardens. This beautiful park offers excellent restrooms and a large display area. Extensive advertising throughout the Southeast and locally guarantees an outstanding field of British motor cars. We are looking forward to a larger show this year. Partner with us and enjoy the success!

24TH ALL BRITISH CAR SHOW SPONSORSHIP BENEFITS

The following summary is a compilation of benefits your company will receive as a sponsor of the 24th Annual All British Car Show, including logo placement in all show materials, on the website, and recognition during the show.
